

Billy Gooderham, Flight Controller, Canada SailGP Team

Billy spent his summers in the sailing program at the RCYC and had a successful junior racing career, including representing Canada at the 2005 ISAF Volvo Youth Worlds, before he began sailing 49ers. As a member of the national team from 2009-2012, Billy was a three-time Canadian 49er champion, as well as the 2009 49er North American Champion.

Billy then transitioned into sailing professionally and has sailed with several teams, from C-Class catamarans to Melges 24s and TP52s. His professional career highlights include a 2018 Melges 24 North American Tour overall win and 2019 Around Antigua Race Line Honours and 1st IRC Overall. When Billy is not sailing, he enjoys spending time at his farm with his wife, Alex and his rescue hound, Boone.
